

7 Day North Island Tiki Tour

vivo
Camper vans

Day 1 & 2

We pick you up at Auckland airport arrivals and take you to the Vivo depot in rural Ararimu just south of Auckland. From here, head north to Paihia in the Bay of Islands. Here you can take an exciting boat cruise to the Hole in the Rock. A guided tour from Paihia with Far North Tours includes 90-mile beach and Cape Reinga, the northernmost point of New Zealand.

Day 3

Head south to Waitomo to see the world famous glow worm caves, staying overnight in Taumarunui.

Day 4 & 5

Head to Rotorua, the North Islands adventure tourism centre. You can mountain bike, take a canopy tour through 500 hundred-year-old forest including a 220-metre zip line over a long forgotten valley, white water raft, kayak on the lake or visit the world famous Fairy Springs to view wild trout and see the Kiwi centre. Staying two nights in Rotorua you can see New Zealand's most awarded cultural tourism attraction, the Tamaki Māori Village.

Day 6

Head to Wai-O-Tapu Geothermal Wonderland. Aim to arrive at 9:30 am ensuring you have time to purchase your ticket to see the Lady Knox Geyser presented daily at 10:15 am. Don't forget to see the Mud Pools, the Champagne Pool and other volcanic lakes, craters and pools of every colour. After, head back through Rotorua to Matamata to visit Hobbiton, The Lord of the Rings & Hobbit movie set. Stay overnight in Matamata.

Day 7

It is approximately one hours drive back to Ararimu to drop off your van and be taken to the airport for your onward journey and adventures in the South Island.
